Re: Freedom of Information Act Request

Pursuant to the Freedom of Information Act, Restore Public Trust requests access to and copies of correspondence sent to, sent by, carbon copying ("CC"), or blind carbon copying ("BCC") officials in the Department of Transportation, Office of the Immediate Secretary that was sent to, sent by, carbon copying ("CC"), or blind carbon copying ("BCC") Steven Law, also known as Steve Law, between and including January 31, 2017 and the date the search is performed.

"Correspondence" should include but not be limited to: emails, email attachments, text messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, talking points, any handwritten or electronic notes taken during any responsive communications, summaries of any responsive communications, or other materials reflecting communications sent to, from, carbon copying (CC), or blind carbon copying (BCC) all relevant individuals.

If possible, I would prefer to receive this information electronically via e-mail at info@restorepublictrust.org. If you have questions or need additional information, please feel free to call me at 202-449-4367.

Fee Waiver Request

Restore Public Trust requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding" of government operations and is not "primarily in the commercial interest of the requester." The disclosure of the information sought under this request will document and reveal the operations of the federal government, including how public funds are spent and how officials conduct the public's business.

This request is primarily and fundamentally for non-commercial purposes. As a project of a 501(c)(3) organization, Restore Public Trust does not have a commercial purpose and the release of the information requested is not in Restore Public Trust financial interest. Restore Public Trust will use the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. Restore Public Trust will also make materials it gathers available on its public website.

Accordingly, Restore Public Trust qualifies for a fee waiver.

Conclusion

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. Additionally, if any documents are withheld based on the Agency's interpretation of any exemption, Restore Public Trust requests that you provide an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974). Specifically, this Vaughn index should describe withheld documents with enough specificity to determine whether the material is exempt under the act and must describe each document or portion withheld.

Thank you for your assistance.

Sincerely,

Caroline Ciccone
Executive Director, Restore Public Trust
